

Request for Proposal Form

For Tenders Subject To The Supplies Regulation no. (32) For the year 1993, and the Tender instructions issued pursuant to its no. (1) For the year 2008 and their amendments

Request for Proposal for: Supply , install, operate, maintain Video Conferencing Solution

Tender Number: 2018/ل م ع/8

Proposal Deadline: 2018/10/10

1. Introduction:

Responses to this request for proposal (RFP) must conform to the procedures, format and content requirements outlined in this document.

Deviation from procedures, format and content requirements will be considered grounds for disqualification.

a. MoICT Existing UC Equipment

Number	Item	Version
1	Cisco Unified Communication Manager (CUCM)	11.5.1.13901-3
2	Cisco Unified Computing Server (UCS)	C220 M4 (BE6H-M4-K9)
3	Cisco ExpresswayC and Cisco ExpresswayE	X8.10.3
4	LifeSize icon 600	-
5	Cisco SX80	-
6	Dell PwerEdge R 710 server <u>Specs</u> <ul style="list-style-type: none"> • 2 x Intel Xeon X5650 Processor (2.66GHz, 12M Cache, 6C) • 32GB Memory, ECC DDR3 • 2x 300GB SAS Hard Drive, RAID Controller • DVD+/-RW Drive • 4 x Gigabit Ethernet Controllers • 2 x Single Port HBA Card PCIe 8Gbps Fiber Channel 	-

b. Required Bill of Material

The bidder should provide the following bill of material and licenses

Part Number	Description	Service Duration (Months)	Qty
Shared MultiParty Licenses			
TP-SMP-K9	Cisco TelePresence Shared Multiparty	---	1

CON-ECMU-TPSMPK9	SWSS UPGRADES Cisco TelePresence Shared Multiparty	12	1

Jabra Handset 450	USB handset for the DX-80 endpoint	-	3
-------------------	------------------------------------	---	---

- Certificate Requirement: the winning Bidder must provide the required certificate needed by for the system.
- For handset bidder should provide just one option.

2. Scope of work:

2.1: The purpose of this section is to show in high-level format the features for the proposed video conferencing project

Management Capability

1. Manage and monitor Cisco Endpoints

Scheduling Capability

1. Schedule a meeting from web portal (Smart Scheduler)
2. Schedule a meeting from the Microsoft Outlook
3. Confirmation email for the scheduled conference that includes the meeting information (meeting url, Video bridge number, time and date, pin, agenda...).
4. Ability to add agenda and pin to the meeting

Conferencing Capability

1. Video Conferencing
2. Users can join the meeting using the following methods:
 - a. Cisco Endpoint
 - b. Cisco Jabber
 - c. Cisco Video enabled IP Phones
 - d. 3rd-Party video enabled endpoint that support standard SIP
 - e. Web browser that support WebRTC
 - f. Audio device (will join audio only)
 - g. Choose from a range of layouts
3. Share content during the meeting.
4. LifeSize endpoint should be able to join the video conference meetings
5. High scalability: ability to add meeting license as needed (limited by the underlying hardware capability)
6. Users can join the meeting from inside and outside the ministry premises. Expressway is deployed on MOICT

2.2: The Winning bidder must Supply, installation and operation the required [solution] within [84](calendar day) as of the date of signing the purchase order (contract) and the delivery will be at [the Ministry of Information and Communications Technology (MOICT)] and all required services and applications and hardware should delivered to MOICT site

All licenses required above must be Perpetual for MOICT.

3. Technical Specifications and Details:

Bidders must comply with the following minimal technical specifications and requirements for (Video Conferencing Solution), therefore bidders are required to comply in full with these technical specifications and requirements and any proposal that does not comply with these technical specifications and requirements shall be rejected for being none responsive. Bidders must be specifying the manufacturer and the origin of countries of the submitted [solution].

Cisco Meeting Server Specification

Video standards	<ul style="list-style-type: none">• H.261• H.263 (+, ++)• H.264 AVC (Baseline and High Profile)• H.264 SVC• WebM, VP8• Microsoft RTV• HTML5/WebRTC• SIP, H.323, TIP

4. General Terms and Conditions:

This RFP is subject to the Supplies Regulation no. (32) for the year 1993, and the Tender instructions issued pursuant to its no. (1) For the year 2008 and their amendments.

5. Special Terms and Conditions:

5.1 responsibility matrix

The following table shows in High level format the responsibilities of the main tasks for the proposed video conferencing project for MoICT.

Task	Owner	Notes
Provide space, power connectivity inside MoICT data center	MoICT	
Racking the Dell 710 server (Space, power)	The winning bidder	
Provide IP/Naming schema information	MoICT	
Provide physical network connectivity for the server to MoICT network	MoICT	
Install and license the VMware on the server	The winning Bidder	

Provide NTP IP address server for time sync	MoICT	
Provide LDAP server for importing users	MoICT	
Provide Certificate requirements	The winning Bidder	
Firewall Port requirements configuration	MoICT	<ul style="list-style-type: none"> ▪ MoICT to open the list of port needed for the applications. ▪ Bidder must provide the port list.
DNS requirements configuration	MoICT	<ul style="list-style-type: none"> ▪ MoICT to create a list of A and SRV record that is required ▪ Bidder to provide the list of DNS records.
Install, configure, and license the CMS server	The winning Bidder	
Provide Microsoft Windows/SQL, media and License	MoICT	<ul style="list-style-type: none"> ▪ Bidder provide the required Microsoft products versions information for TMS and TMXE
Install, configure, and license the TMS and the TMSXE applications	The winning Bidder	
Configure the Exchange server for the Integration with TMSXE.	MoICT	<ul style="list-style-type: none"> ▪ MoICT to provide mailbox with permissions to read the information of other mailboxes. ▪ MoICT to create mailbox for each video endpoint.

5.2 Who can participate in this RFP:

1. The bidder must be an authorized agent for all the materials mentioned in the tender for a period of not less than five years, and must provide all the certificates proving the golden or silver partnership with Cisco

2. The bidder should provide a summary of the qualifications of the technical team concerned with the subject matter of the tender and clarify the level of certificates obtained by Cisco.
3. The company is committed to having a technical team based in Jordan and in various fields related to this tender
4. The company must provide a summary of similar projects "in Jordan" to the requirements of this tender, one project last five years .

6.1: Guarantees:

- **Bid Security (Tender Bond) :** Bidders shall submit a bid Security (Tender Bond) on a form similar to the attached format in Jordanian Dinars (3%) of the total value of the financial proposal submitted by the bidder – Annex\3. The bond will be in the form of a certified cheque or bank guarantee from a reputable registered bank, located in Jordan, selected by the bidder. The bidder shall ensure that the (tender bond)/ bid security shall remain valid for a period of 90 days after the bid closing date.
- **Performance Bond:** The winning bidder is required to submit a performance bond of (10%) of the total value of the supplies amount awarded to him within the duration mentioned in the award notification letter and before signing the Purchase_Order (Contract) on a form similar to the attached format to guarantee that the winning bidder shall perform all works required in accordance with the Purchase Order's (contract's) technical specifications and requirements – Annex\4 (the duration of this guarantee must fit with the implementation of the purchase order (contract)). This guarantee shall be released after final hand over and official acceptance of MOICT of all works done by the winning bidder and submission of the maintenance and support and warranty guarantees.
- **Maintenance and Support Bond:** The winning bidder is required to submit a maintenance and support bank guarantee to guarantee that the bidder shall perform all maintenance and support works needed. This guarantee shall be (5%) of the total value of supplies provided by him on a form similar to the attached format and for duration of (1) year as of the date of final handing over and official acceptance by MOICT – Annex\5. This guarantee shall be released after its expiry and after the winning bidder provided all required support and maintenance and acceptance of MOICT.

- **Manufacturing Defects Liability Warranty** : The winning bidder should provide a manufacturing defects liability warranty on a form similar to the attached format duly endorsed and signed by a notary public for a duration of (1) year as of the date of final hand over- Annex\6. The manufacturing defects liability warranty shall be released after its expiry and after the winning bidder provided all required warranty works if required and acceptance of MOICT.
- The Bidder guarantees that all provided supplies are 100% brand new free of any manufacturing defects or in material and of a modern style and its production did not stop and that the year of manufacture should be the same as the year of proposal submittal.

6.2: Financial Terms:

Bidders should take into consideration the following general financial terms when submitting their proposals

- All prices should be quoted in Jordanian Dinars including all costs, expenses, profits, governmental fees and taxes, in addition to 16 % sales tax for the bidders registered in the general sales tax , and others. Prices should be specified for each item.
- The type of contract will be a fixed lump sum price contract including all costs, professional fees, over heads, profits, and expensesetc.
- The bidder shall bear all costs associated with the preparation and submission of its proposal and MOICT will in no case be responsible or liable for these costs, regardless of the conduct or outcome of the proposal process.
- The bidders shall furnish detailed information listing all commissions and gratuities, if any, paid or to be paid to agents relating to this proposal and to contract execution if the bidder is awarded the contract. The information to be provided shall list the name and address of any agents, the amount and currency paid and the purpose of the commission or gratuity. Any proposal not accompanied by an acceptable proposal security (tender bond) shall be rejected by the tendering committee as being non-responsive pursuant to RFP. The proposal security of the successful bidder will be returned after signing the Purchase Order (Contract) and furnishing the required performance security. The proposal security may, in the sole discretion of the tendering committee, be forfeited:

- If the bidder withdraws its proposal during the period of proposal validity as set out in the RFP; or
 - In the case of successful bidder, if the bidder fails within the specified time limit to sign the Purchase Order (contract); or furnish the required performance security as set out above.
-
- the performance guarantee shall be released after final hand over and official acceptance of MOICT of all works done by the winning bidder and submission of the maintenance and support and warranty guarantees.
 - The maintenance and support guarantee shall be released after its expiry and after the winning bidder provided all required support and maintenance and acceptance of MOICT.
 - **The manufacturing defects liability warranty** shall be released after its expiry and after the winning bidder provided all required warranty works and acceptance of MOICT.
 - The winning bidder has to pay the fees of the RFP advertisement issued in the newspapers.
 - The MOICT is not bound to accept the lowest bid and will reserve the right to reject any bids without the obligation to give any explanation.
 - Bidders must take into consideration that payments will be as specified in the tender documents under annex (1) and shall be paid after the successful fulfillment and acceptance of the scope of work defined for the services by MOICT.
 - The MOICT takes no responsibility for the costs of preparing any bids and will not reimburse any Bidder for the cost of preparing its bid whether successful or otherwise.
 - General Sales Tax must be specified in the offer for the bidders registered in the general sales tax or it will be assumed as part of the total value of the bid submitted by the bidder.

6.3: Legal Terms:

Bidders should take into consideration the following general legal terms when preparing their proposals:

- The bidders shall not submit alternative proposal. Alternative proposals will be returned unopened or unread.

- The proposal shall be signed by the bidder or a person or persons duly authorized to bind the bidder to the contract. The latter authorization shall be indicated by duly-legalized power of attorney and a certified copy of this authorization is to be attached to technical proposal. All of the pages of the proposal, except un-amended printed literature, shall be initialed by the person or persons signing the proposal.
- The Ministry requires that all parties to the contracting process observe the highest standard of ethics during the procurement and execution process. Ministry will reject a proposal for award if it determines that the Bidder has engaged in corrupt or fraudulent practices in competing for the contract in question.

Corrupt Practice Means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution.

Fraudulent Practice Means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of government of Jordan, and includes collusive practice among Bidders (prior to or after proposal submission) designed to establish proposal prices at artificial non-competitive levels and to deprive government of Jordan of the benefits of free and open competition.

- Bidder shall not contact MOICT, or its employees, members of the tendering or the technical committees on any matter relating to its proposal to the time the contract is awarded. Any effort by a bidder to influence MOICT, its employees, members of the tendering or the technical committees or the tendering committee in the tendering committee's proposal evaluation, proposal comparison, or contract award decision will result in rejection of the bidder's proposal and forfeiture of the proposal security.
- A business registration certificate should be provided with the proposal.
- The laws and regulations of The Hashemite Kingdom of Jordan shall apply to awarded contracts.
- Proposals shall remain valid for period of (90) days from the closing date for the receipt of proposals as established by the Tendering Committee.

- The Tendering Committee may solicit the bidders' consent to an extension of the proposal validity period. The request and responses thereto shall be made in writing or by fax. If a bidder agrees to prolong the period of validity, the proposal security shall also be suitably extended. A bidder may refuse the request without forfeiting its proposal security; however, in its discretion, the tendering committee may cease further review and consideration of such bidder's proposal. A bidder granting the request will not be required nor permitted to modify its proposal, except as provided in this RFP.
- MOICT reserves the right to accept, annul or cancel the bidding process and reject all proposals at any time without any liability to the bidders or any other party and/withdraw this tender without providing reasons for such action and with no legal or financial implications to the Government of Jordan.
- MOICT reserves the right to disregard any bid which is not submitted in writing by the closing date of the tender.
- MOICT reserves the right to enforce penalties on the winning bidder in case of any delay in delivery as defined in accordance with the terms set in the Supplies Regulation no.(32) for the year 1993, and the Tender instructions issued pursuant to its no. (1) For the year 2008 and their amendments
- All prices should be listed in **the Bidder's financial proposal.**

Bidders must fill out, stamp and duly sign form of bid attached to this RFP under (Annex 2) and enclose it in their proposals. Proposals that do not include this signed format are subject to rejection as being none responsive.

- The winning bidder will be expected to provide a single point of contact to which all issues can be escalated. MOICT will provide a similar point of contact.
- No proposal may be withdrawn in the interval between the proposal submission deadline and the expiration of the proposal validity period. Withdrawal of a proposal during this interval will result in forfeiture of the bidder's proposal security.

6.4: Support and Maintenance, Warranty and Performance:

• Support and Maintenance:

All devices, hardware, software and any other components installed by the bidder must be supported and maintained for a duration of (1) one year starting from the date of final handing over and acceptance.

- **Bidders Should provide in their proposals the following:**

A . Bidders shall furnish with their proposals a separate list of the needed spare parts which the manufacturing company recommends to use under normal conditions for a duration of (1) years. The list should show the part number as issued by the manufacturing company, the quantity, the unit price and the total price; these prices shall be binding to the bidder for the duration mentioned above. The first party has the full right to request these spare parts within this duration for the prices mentioned in the afro-mentioned list and the spare parts must be 100% new and original (brand new).

B . Bidders must provide maintenance workshops and the needed spare parts for the supplies for a duration of at least 8 years or for the acknowledged working lifetime unless a different provision is included in the tender invitation. Bidders should provide with their proposals conditions of spare parts prices adjustment (Escalation Clause) as is in the country of origin, after expiry of the duration mentioned under item (A) of this clause.

- **Warranty**

All devices, hardware, software and any other components installed by the bidder must be warranted for a duration of (1) One year starting from the date of final handing over and acceptance.

- **performance :**

The winning bidder is required to submit **a performance bond** of (10%) of the total value of the supplies amount awarded to him within the duration mentioned in the award notification letter and before signing the Purchase_Order (Contract) on a form similar to the attached format to guarantee that the winning bidder shall perform all works required in accordance with the Purchase Order (contract) requirements.

6.5: Tenders value:

Bidders should fill and sign the following table:

Descriptions	Quantity	Unite Rate *	Total
Shared MultiParty Licenses			
User License for the Webex Rooms Endpoints 1 TP ROOM and 3 enhance licenses	1		
Cisco Webex DX 80	3		
3rd party handset			

Plantronics P240 Option one	3		
OR			
Jabra Handset 450 Option two	3		
Total in figures including 16 %sales tax			
Total in words			

* price should include all costs, Overheads, profits, fees and taxes including 16 %sales tax. for the bidders registered in the general sales tax, ...etc.

6.6: Bidders qualifications ():
Cisco golden or silver partners

6.7: Administrative procedures and requirements:

6.7.1: Response procedures:

All inquiries with respect to this RFP are to be addressed to the Ministry of Information & Communications Technology local tenders committee in writing by mail, e-mail , fax, or handed to the secretary of tenders committee with the subject

Supply , install, operate, maintain Video Conferencing Solution

inquiries can be addressed to

vcfrp@moict.gov.jo by 24/09/2018.. (. Responses will be sent in writing no later than 27/09/2018... Questions and answers will be shared with all Bidders' primary contacts..

6.7.2: Response Format: Bidder's written response to the RFP must include:

(a) : The Technical Proposal

The Technical proposal should include:

- The Detailed description, technical Specifications, catalogues, Brand and the Model of the offered supplies [products/services] must be mentioned clearly with the origin datasheet.
- A compliance letter stating that the technical specification of the supplies proposed by the bidder comply 100% as a minimum with the specifications shown in this RFP.

(b) : The Financial proposal:

- he financial proposal should include a cost summary. The cost summary must provide a fixed price for the required supplies in Jordan Dinars for the overall scope of work including all expenses, overheads, profits, fees and taxes including 16 % sales tax ...etc. . The bidder should submit the “Form of Bid” Annex.3 Annexed to this RFP duly filled and signed by the bidder. T
- he financial proposal should include supplies value attached to this RFP duly filled and signed by the bidder’s authorized representative. T

(c): Bid Security: as Annex.3.

6.7.3: Response Submission:

- Bidders must submit their proposals to this RFP to the secretary of local or procurement tenders committee\ Tendering & procurements Department at the Ministry of Information and Communications Technology no later than 13:00 pm of 10/10/2018.

Tendering Department – 3rd floor

Ministry of Information and Communications Technology

8th circle

P.O. Box 9903

Amman 11191 Jordan

Tel: 00 962 6 5805641

Fax: 00 962 6 5861059

- Proposals should be submitted in a well-sealed and wrapped envelope clearly marked, as follows:

Supply of installation, operation, maintenance Video Conferencing Solution, Tender number (82018 ل.ع./م ل) — **Technical Proposal, ” Financial Proposal and Bid Security.**

- **This envelop should contain 2 hard copies of the Financial and Technical Proposals (1 original and 1 copy) and the original copy of the Bid Security.**

- the hard copy marked as original will be considered the official copy and in case of contradiction between the original and the copy, the original copy shall prevail. Proposals may be withdrawn or modified and resubmitted in writing any time before the submission date. Regardless of method of delivery, the proposals must be received by the MOICT no later than 13:00 pm of 10/10/2018,-Late submissions will not be accepted,

-MOICT will not be responsible for premature opening of proposals not clearly labeled.

6.7.4: Response Evaluation:

All responses to the RFP will be evaluated and the winning proposal will be selected on the basis of “Lowest complied value that complies with tender technical specifications as a minimum” and in accordance with the Supplies Regulation no.(32) for the year 1993, and the Tender Instructions issued pursuant to its no. (1) For the year 2008 and their amendments.

Proposals shall be reviewed by the Tendering Committee at the Ministry and evaluated in accordance with basis mentioned above.

The Ministry of Information and Communications Technology reserves the right not to select any offer. The Ministry of Information and Communications Technology also assumes no responsibility for costs of bidders in preparing their submissions.
